Published once per term

Gamma sou/sas (Yia sou/sas – sas is plural) is the general greeting and farewell used in Greece. Although Kali mera (kali mera) is used in the mornings (Good morning) and Kali spera (kali spera) is used in the afternoon (Good afternoon). Miss Masselos is of Greek heritage.

This term has been very busy for our senior students as they had to complete their school work with a shorter term.

Wednesday 13 November saw Felice attend the Year 12 formal. Friday 15 November was the last school day for our Year 12 students. I will certainly miss seeing Felice’s smiling face around school.

Felice is in the yellow dress – this photo was taken at the Formal. She is home in Taiwan now enjoying a holiday before commencing university.

Four birthdays were celebrated over this term.

8 November – Mia Zhang
2 December – Grace Xian
13 December – Sherry Zang
27 December – Jean Jang

We combined the birthday party with the end of term party. It was also a farewell celebration for Felice An (Year 12), Sheriden Fernando (Year 11), Luca Di Martino (Year 11), Riccardo Masserini (Year 11) and Riko Yamaji (Year 10).

Mrs Sneddon has been providing ESL help for our international students for most of this year. In 2014 we will see Mrs Sneddon continue her work with our students.

We have also organised for additional ESL help for all students (International and Domestic) during sport time. This will be designed to help with paragraph and sentence structure along with tenses. We also wish to include structured essay writing.

If you have any concerns with any of the students please contact me on mmass2@eq.edu.au or extension 709.

Next year we will be joined by Bridget Nsiah from Ghana and Yee Man Leung from Hong Kong in Year 11. Mari Sekiguchi from Japan and An-Tsu (Vicky) Chang and Yiwen Wu from China in Year 10. Andrew Tuke will join us in Year 8 from the Solomon Islands.

Barbara Simon will join us in Year 8 as a Dependant student.

As a homestay provider you are required to have adequate home and contents insurance and legal liability insurance of no less than $10,000,000. Legal liability insurance is like public liability insurance but for non- business residences.

Regular home insurance covers you for legal liability when friends and visitors come, but as homestay students are paying money to live at your house, some insurance companies treat this differently. Your standard home insurance policy may not cover you for legal liability should a student living with you incur an injury on your property. It is important to take a look at your policy and if you are unsure if you are covered please ring your insurer and ask.

There are products in the marketplace that particularly cater to host families. If you would like
any information on these products please contact me.

Certificate of Currency
It is important that you provide me with a certificate of currency to ensure you have a current home and contents (including legal liability insurance) in place. When you renew your policy each year please remember to provide me with a copy of your renewal documentation.

Lesley will be working in the office on Tuesday and Thursday from 8:30 am – 3:00 pm. If you need to contact her please either come and see her or send her an email on lhuxl6@eq.edu.au.

Cultural Differences
